Subject: Cultural Resources Concurrence Request, MKJ Construction LLC, Scott Mower Property Mine, S/039/0032, Sanpete County, Utah

Dear Ms. Hunsaker:

The Division of Oil, Gas and Mining has received a proposal from MKJ Construction LLC to conduct small mining operations in Section 13, Township 14 South, Range 4 East, Sanpete County, Utah. Enclosed with this letter are copies of the cultural resources survey report and the location map provided by the operator.

The survey for cultural resources found no significant resources within the area to be affected by the mine.

Accordingly, the Division of Oil, Gas and Mining has determined that there will be **No Adverse Effects** to significant cultural resources, and we seek your concurrence with this determination.

Thank you for your assistance. Please call me at 801-538-5261 if you have questions about this request.

Sincerely,

for PBB
